

GAUGE-FREE CROSS-OVER

sweater pattern

You will need:
Yarn (2-3 balls approx.)
Knitting needles
Yarn needle
Scissors

Pattern:

This stocking stitch pattern requires a selvedge to prevent curling.

Cast on enough stitches so that the fabric covers your chest.

Row 1: K

Row 2: K4, P to the last 4 sts, K4

Repeat these two rows until the fabric is long enough to fit the body as demonstrated in the diagram (p2)

Block the fabric.

Twist the piece twice, and join the ends together. Fit around the body as per the diagram and pin across the front and back.

Sew the pinned edges together, and your jumper is finished!
